

**“Construction of the Water Supply Pipeline Krkori-Andrijevic”  
Tender Ref.No.404-10/2015-0453**

**CLARIFICATION**

**Answer 1:**

U preuzetom Knjizi br. 1 nedostaje tekst na stranicama 21, 22, 24, 25, 27. Molim Vas da ih dostavite.

In the Volume 1 is missing the text in pages 21, 22, 24, 25, 27. Please send them

**Response 1:**

Since Section 1.2, Tender Data Sheet, provides only the specific information in relation to corresponding paragraphs in Section 1.1, Instructions to Tenderers, it does not refer to all articles mentioned in Section 1.1, but only selected ones. Therefore the Employer included only relevant articles in Section 1.2., and the text is complete, as published.

**Answer 2:**

Molim Vas za pojašnjenje stavke m na strani 36 Knjige br. 1.

I ask for clarification of the items M on page 36 Volume no. 1.

**Response 2:**

It is permissible practice in some tendering procedures, for tenderers to engage agents to assist them with their bidding efforts. If you have indeed engaged any agents and you have paid them, or will pay for their services, you should report it here. The services may include providing intelligence or technical assistance. Services like translation or delivering the proposal should not be reported here under item (m).
